Commercial Sexual Exploitation

unyonyaji wa kijinsia
is when a person is abused
in a sexual manner. This
can be through forced
prostitution; forced
marriage; rape; or forced
pornography.

Debt Bondage ***utumwa wa deni***

is also known as 'bonded
labour' or 'debt slavery'. It
occurs when a person is
required to perform work or
services in order to pay off a
debt. Most or all the money
they earn goes to pay off their
loan.

Forced Labour ***kulazimishwa***

is a situation in which an
individual involuntarily performs
any type of work or service
under some sort of threat.
The threat can be real or
threatened, but the individual
feels unable to refuse.

Domestic Servitude

utumwa wa majumbani
refers to the forced labour
of an adult or a child that
is performed in someone
else's private residence,
where the individual may
also be required to live in
that home.

Human Trafficking

usafirishaji wa binadamu
is the recruitment,
transportation, holding or
obtaining of persons typically
for the purposes of forced
labour or commercial sexual
exploitation.

Virtual Trafficking ***unyonyaji mkondoni***

is when traffickers and child
abusers use online platforms to
solicit and manipulate children
into performing sexual acts in
front of a webcam. Children's
images and videos are then
transferred, held and received
for the purposes of further
exploitation and abuse.
